- Send original to Roofing Warranty as indicated.

### Project is Registered<sup>2</sup>

- No further action is required.
- You may provide warranty to your customer<sup>3</sup>.

Note: Roofing Warranty does not issue project-specific warranty certificates<sup>3</sup>.

## REPEAT STEP 2 for Each Completed Installation

Register an Installation Summary within 60 days of each completed installation to apply coverage under the terms of your Consolidated Limited Product Warranty.

<sup>1</sup>All customer purchases are eligible for the Consolidated Limited Product Warranty as long as the customer is in good standing. <sup>2</sup>An Installation Summary must be submitted for each project within 60 days of completion to be covered. It is the customer's responsibility to keep accurate records of coil Lot #'s and/or Mill Tag #'s for each project to provide proof of traceability in the event of a claim. <sup>3</sup>Roofing Warranty, LLC does not issue project-specific warranty documentation. Customers that wish to provide certification of warranty coverage and terms for a specific installation to an installer or building owner, may issue their own document using the warranty coverage and terms language in the Consolidated Limited Product Warranty. <sup>4</sup>Consolidated Limited Product Warranty provided by Roofing Warranty, LLC. Metal Alliance Supply, LLC does not issue, sell, underwrite or participate in any warranties provided by or sold by Roofing Warranty, LLC. For full warranty details, including eligibility and exclusions, contact Roofing Warranty, LLC or Metal Alliance.
